Re: Remedial Investigation and Feasibility Study for Medley Farm Site
Cherokee County, S.C.

Dear Mr. McBride:

The purpose of this letter is to recommend that the Environmental Protection Agency approve the above referenced activity, provided that the historic preservation procedures outlined at 36 CFR 800 are observed, and provided further that all necessary plans and specifications are reviewed and approved by the South Carolina Department of Health and Environmental Control. This official state recommendation is made in consonance with Presidential Executive Order 12372, "Intergovernmental Review of Federal Programs". All comments received as a result of the review are enclosed for your use.

The State Application Identifier number for this project is SC871001-090. This number should be used in any future correspondence with this office regarding this proposal. The State of South Carolina is appreciative of the opportunity to review this proposed activity, and looks forward to your favorable response to its recommendation. If I may answer any questions, please do not hesitate to contact me at (803) 734-0435.

Respectfully,

Danny L. Cromer
